# Colombini 'Tgeo – Metron4 – Multistanza'

Colombini 'Tgeo – Metron4 – Multistanza'

Utilizzare il Colombini Software System permette di:

- Generare preventivi e disegni chiari e corretti.
- Disegnare un'ambientazione reale della composizione.
- Progettare rapidamente un appartamento con tutte le collezioni del Gruppo Colombini.
- Creare progetti che sanno emozionare.
- Ridurre i tempi per lo sviluppo e invio ordini alla Colombini S.p.A.
- Utilizzare lo stesso programma impiegato in Colombini S.p.A.
- Spedire gli ordini tramite Internet garantendone la tracciabilità.
- Disporre dei listini elettronici aggiornati in tempo reale.
- Organizzare in modo flessibile e personalizzato i propri progetti.

With the Colombini Software System you can:

- Generate clear, accurate cost estimates and drawings.
- Draw a real rendering of the composition.
- Quickly design an apartment with all the Colombini Group collections.
- Create exciting designs.
- Cut times for developing orders and dispatching them to Colombini S.p.A.
- Use the same programme as Colombini S.p.A. itself.
- Send orders by Internet, with traceability ensured.
- Access electronic price-lists updated in real time.
- Organise your projects in a flexible way, customised to your needs.

# Tessuto e similpelle

Fabric and faux leather

## TESSUTO FABRIC | RV24JN - JENNY

### Specifiche materiale Material specifications

Composizione:	100% Poliestere
Composizione:	100% Polyester
Peso:	375 gr/m <sup>2</sup>
Weight:	375 gr/m <sup>2</sup>
Marindale:	60,000
Marindale:	60,000

### Indicazioni per il lavaggio Washing instructions

## SIMILPELLE FAUX LEATHER | RV90TP - TAPE

### Specifiche materiale Material specifications

Composizione:	85% Polivinilcloruro	15% Poliestere
Composizione:	85% Polyvinyl chloride	15% Polyester
Peso:	530 gr/m <sup>2</sup>	
Weight:	530 gr/m <sup>2</sup>	
Marindale:	100,000	
Marindale:	100,000	

### Indicazioni per il lavaggio Washing instructions

### Manutenzione Maintenance

Pulire con panno morbido ed umido, delicatamente. Non usare abrasivi, detersivi chimici o sgrassatori. L'utilizzo di questi prodotti rovinerebbe irrimediabilmente il rivestimento.

Clean gently with damp, soft cloth. Do not use abrasive and degreasing products or chemical detergents, which may ruin irremediably the upholstery.

### Inflammabilità: L'articolo è conforme alle seguenti norme:

Fire resistance: This product has been successfully tested according to the following methods:

- EN 1021-1:2006 & EN 1021-2:2006
- BS 5852-1 (UK) (1979)

### S Rivestimenti selezionati dalla collezione SOFUP Selected coatings from the collection SOFUP

**Idrorepellente antimacchia** Grazie a tale trattamento, i liquidi o le sostanze che accidentalmente possono cadere sul rivestimento, non penetrano nel tessuto e non vengono assorbiti dalla gomma del cuscino. Nel caso si versi accidentalmente una soluzione acquosa (acqua, vino, caffè, bibite, ecc.) è sufficiente asciugare con un panno asciutto o carta assorbente. Nel caso in cui il liquido sia rimasto a lungo sul tessuto o abbia subito una eccessiva pressione, dopo aver asciugato, sarà necessario strofinare leggermente con una spugna umida non abrasiva. Nei casi più gravi si potrà utilizzare sapone neutro, successivamente da risciacquare.

Water-repellent stain Thanks to this treatment, liquids or substances that may accidentally fall on the coating, will not penetrate into the fabric and will not be absorbed by the rubber in the cushion. In case you accidentally spill a watery solution (water, wine, coffee, soft drinks, etc.) it is enough to dry it with a dry cloth or paper towels. In the case the substance remains on the fabric for a prolonged amount of time or has suffered excessive pressure, after having been dried, you will need to rub gently with a damp non-abrasive sponge. In severe cases, you can use mild soap, subsequently rinse afterwards.

**⚠ I colori sono soggetti a cambiamenti di tono tra bagni diversi. Il produttore si riserva di modificare, in qualsiasi momento e senza preavviso, le specifiche del prodotto.**  
**• Questi valori sono dati a titolo indicativo ed in buona fede e non possono essere considerati in alcun caso vincolanti.**

# Tessuto, similpelle e microfibra ECOCHIC

ECOCHIC fabric, faux leather and microfiber

## TESSUTO FABRIC | ECOCHIC

### Specifiche materiale Material specifications

Composizione:	100% Poliestere
Peso:	350 gr/m <sup>2</sup>
Martindale:	100,000

### Indicazioni per il lavaggio Washing instructions

## SIMILPELLE FAUX LEATHER | ECOCHIC

### Specifiche materiale Material specifications

Composizione:	100% Poliestere
Peso:	190 gr/m <sup>2</sup>

### Indicazioni per il lavaggio Washing instructions

### Manutenzione Maintenance

Pulire con panno morbido ed umido, delicatamente. Non usare abrasivi, detersivi chimici o sgrassatori. L'utilizzo di questi prodotti rovinerebbe irrimediabilmente il rivestimento.  
Clean gently with damp, soft cloth. Do not use abrasive and degreasing products or chemical detergents, which may ruin irremediably the upholstery.

## MICROFIBRA MICROFIBER | ECOCHIC

### Specifiche materiale Material specifications

Composizione:	100% Poliestere
Peso:	350 ± 5% gr/m <sup>2</sup>
Martindale:	40,000

### Indicazioni per il lavaggio Washing instructions

Al momento del disimballo o in seguito ad un utilizzo anomalo, potrebbe presentare delle vistose macchie o righe dovute allo schiacciamento delle fibre. Utilizzare una spazzola con setole morbide per riportare il rivestimento alla naturalezza originaria.  
At the time of unpacking or following incorrect use, may display visible blotches or lines caused by crushed fibres. Use a brush with soft bristles to return the cover to its original appearance.

**Infiammabilità. L'articolo è conforme alle seguenti norme:**  
Fire resistance. This product has been successfully tested according to the following methods:

- Classe 1 IM (UNI 9175)
- EN 1021-1:2006 & EN 1021-2:2006

\* Finitura tinta unita abbinabile al Malta.

Solid color finish combinable with Malta.

# Caratteristiche elementi laccati

Lacquered elements characteristics

**⚠** Posizionando elementi laccati vicino ad elementi in pannello dello stesso colore, potrebbero notarsi piccole differenze di tonalità dovute alle diverse lavorazioni. Per le finiture Bucaneve (BU4K), Magnolia (MG8C) e Noce Sorrento (NR7K) la laccatura è realizzata con striature che simulano l'effetto legno. Per la finitura Malta (ML7H) la laccatura è realizzata in tinta unita.  
 When lacquered elements are positioned close to panel elements of the same colour, there may be small differences in tone due to the different machining processes. For the Bucaneve (BU4K), Magnolia (MG8C) and Noce Sorrento (NR7K) finishes, the lacquered finish is veined to simulate wood grain. For the Malta (ML7H) finish the lacquering is done with a solid color.

The indicated elements in Bucaneve (BU4K), Magnolia (MG8C), Noce Sorrento (NR7K) and Malta (ML7H) finishes are in paper coated MDF.

# Cimase e zoccoli - specifiche tecniche

Cornices and plinths - technical features

**ATTENZIONE!**  
A differenza della cimasa in dotazione con la struttura a bussolotti, la cimasa in dotazione con gli armadi ad ante scorrevoli, sporge in larghezza dalla cassa di 5,3 cm (di 3,5 cm dal montante fianco).  
ATTENTION!  
Unlike the cornice supplied with the modular structure, the cornice supplied with the sliding door wardrobes protrudes from the structure in length by 5,3 cm (of which 3,5 cm from the side panel upright).

La cimasa e lo zoccolo aumentano le misure d'ingombro in larghezza, profondità e altezza dell'armadio come indicato nello schema  
Cornice and plinth increase the overall sizes in width, depth and height of the wardrobe as indicated in the drawing below

- Zoccolo**  
Plinth

## Importante:

- Sono strutture posizionabili solo a terra.
- Possono essere utilizzate senza cimasa e zoccolo.
- Ogni struttura è completa di 2 fianchi che sporgono in basso rispetto al fondo, mentre in alto sono a filo del cappello.
- Il posizionamento della ferramenta è personalizzato.
- Non sono rifiniti nella parte superiore.

## Dotazione elementi:

- Sono dotati di piedini regolabili.
- Sono compresi i ripiani interni in nobilitato indicati con il tratteggio. Elementi a giorno e librerie dotati di ripiani in nobilitato ogni 32 cm.
- Negli armadi in corrispondenza di ante H 96, 128, 160 e 192 è presente 1 tubo appendiabiti; in corrispondenza di ante H 224 e 256 sono presenti 2 tubi appendiabiti ed 1 ripiano mobile.

## Important:

- These structures can only be placed on the ground.
- They can be used without cornice and plinth.
- Each structure has 2 sides that project downwards as regards to the bottom; while in the upper part, they are at the edge of the top panel.
- The positioning of the hardware is customizable.
- They are not finished in the upper part.

## Elements supplied:

- They are equipped with adjustable feet.
- Including internal melamine-faced shelves, indicated with the dotted line. Open-plan elements and bookcases are fitted with melamine-faced shelves every 32 cm.
- There is 1 clothes rail in wardrobes in correspondence with doors H 96, 128, 160 and 192; there are 2 clothes rails and 1 moveable shelf in correspondence with doors H 224 and 256.

## Esempi di componibilità

Examples of combination

# Struttura per armadi con ante scorrevoli

Sliding doors wardrobes structure

## Struttura utilizzata per:

- Armadi  
L 189,3 (2 ante)  
278,1 (2/3 ante)  
368 (4 ante)  
P 67,6  
H 235,7 - 267,7

## Structure used for:

- Wardrobes  
W 189,3 (2 doors)  
278,1 (2/3 doors)  
368 (4 doors)  
Dpt 67,6  
Ht 235,7 - 267,7

- Cappello Sp 1,8**  
Top Th 1.8
- Cimasa**  
Cornice
- Tubo appendiabiti BASIC in metallo cromato o tubo appendiabiti PLUS (opzionale) in alluminio.**  
BASIC clothes hanging bar in chromed metal or PLUS clothes hanging bar (optional) in aluminum.
- Fianchi Sp 1,8**  
Side panels Th 1.8
- Schiena Sp 0,3**  
Back panel Th 0.3
- Montanti fianco**  
Side panel upright
- Tramezzo Sp 2,5**  
Partition Th 2.5
- Ripiano mobile P 51,5 Sp 2,5**  
Movable shelf Dpt 51,5 Th 2.5
- Fondo Sp 1,8**  
Bottom panel Th 1.8
- Strip led (opzionale) - In fresata a tutta altezza.**  
Strip led (optional) - In full height milled groove.
- Binari di scorrimento ante (montati su cappello e fondo)**  
Rails for sliding doors (assembled to top and bottom)
- Piedini regolabili per fianchi laterali**  
Adjustable feet for side panels
- Zoccolo (solo frontale) Sp 2**  
Plinth (only front) Th 2
- Coppia livellatori centrali**  
Pair of central levellers

## Importante:

- Sono strutture posizionabili solo a terra.
- Non affiancare a nessun elemento.
- Possono essere utilizzate senza cimasa.
- Ogni struttura è completa di 2 fianchi che sporgono in basso rispetto al fondo, mentre in alto sono a filo del cappello.
- I fianchi sono predisposti per il montaggio della ferramenta dei ripiani.
- I fianchi sono rifiniti con bordo colore cassa, nella parte anteriore.
- I montanti sono in MDF rivestito.
- Consigliamo di fissarli al muro con la ferramenta in dotazione.
- Fianchi, cappello e fondo sono sempre della stessa finitura.

## Dotazione elementi:

- Sono dotati di piedini regolabili.
- Sono compresi 2 tubi appendiabiti e 1 ripiano per ogni vano.

Per il montaggio occorre considerare uno spazio aggiuntivo in larghezza di 4 cm.

## Important:

- These structures can only be placed on the ground.
- Do not join with other elements.
- They can be used without cornice.
- Each structure has 2 side panels that project downwards as regards to the bottom; while in the upper part, they reach the edge of the top panel.
- The side panels are pre-fitted for the assembly of the shelves hardware.
- Side panels are trimmed with carcass colour edging on the front.
- The uprights are in coated MDF.
- We recommend fixing them to the wall with the provided hardware.
- Side panels, top and bottom panel are always of the same finish.

## Elements supplied:

- They are equipped with adjustable feet.
- 2 clothes hanging bars and 1 shelf can be found per each niche.

For assembly, at least an extra 4 cm in width.

## Schema di apertura delle ante scorrevoli

Opening diagram for sliding doors

# Struttura per basi a terra

Floor bases structure

L 48,4 - 63,4 - 93,4  
P 45,7  
H 38,7

W 48,4 - 63,4 - 93,4  
Dpt 45,7  
Ht 38,7

## Note generali:

- Sono strutture posizionabili solo a terra.
- Ogni struttura è completa di 2 fianchi che sporgono in basso rispetto al fondo, mentre in alto sono a filo del cappello.
- Possono essere utilizzate senza zoccolo; l'utilizzo del top è obbligatorio.
- Composizioni di più elementi possono avere lo zoccolo e il top interi (max L 360 oppure max L 270 per top massellato).
- Il posizionamento della ferramenta è personalizzato.

## General notes:

- Floor-standing structures only.
- Every structure includes 2 sides which protrude at the bottom while they are flush to the top element.
- They can be used without plinth; the use of the top is mandatory.
- Compositions of multiple elements can have full plinth and top (max L 360 or max L 270 for solid wood tops).
- The positioning of the hardware is customisable.

# Struttura per basi sospese e pensili

W 30  
Dpt 33,2

## Note generali:

- Sono completi di attaccaglie per fissaggio al muro dotate di antiganciamento. Nei pensili la ferramenta è di tipo invisibile.
- Ogni struttura è completa di 2 fianchi perfettamente a filo di cappello e fondo.
- È consigliato completare ogni composizione di basi sospese con il top. Nei pensili l'utilizzo della cimasa è facoltativo.
- Composizioni di più elementi possono avere top/cimasa interi (max L 360 oppure max L 270 per top massellato).
- Il posizionamento della ferramenta è personalizzato.
- Tutti gli elementi vengono forniti montati.
- Nei pensili sono compresi i ripiani interni in nobilitato indicati con il tratteggio, gli elementi a giorno sono dotati di ripiani in nobilitato ogni 32 cm.
- Nei pensili L 120 e 135 è presente un divisorio centrale verticale Sp 1,8 cm.
- Rispondono alla normativa europea 14749 "Requisiti di sicurezza dei mobili contenitori per uso domestico".

## General notes:

- Including brackets for fastening to the wall fitted with no-release device. The hardware is concealed in the wall units.
- Each structure includes 2 sides flush to the top element and bottom.
- It is advisable to complete each composition of wall-mounted bases with the top. Using a cornice in the wall units is optional.
- Compositions of multiple elements can have full top/cornice (max L 360 or max L 270 for solid wood tops).
- The positioning of the hardware is customisable.
- All the elements are supplied assembled.
- The internal melamine-faced shelves, indicated with the dotted line, are included, the open-plan elements are fitted with melamine-faced shelves every 32 cm. There is a central vertical partition, Th. 1.8 cm, in the wall units W 120 and 135.
- Compliant with European standard 14749 "Safety requirements for domestic storage units".

# Traversi per ante battenti e scorrevoli

Crosspieces for hinged and sliding doors

## IMPORTANTE:

- La posizione del traverso sull'anta è fissa (vedi schemi).
- Il traverso è sempre dello stesso colore dell'anta.
- Sono disponibili traversi con decoro PETALO serigrafato.
- Le ante con traverso si possono ridurre solo in larghezza.
- Le ante con traverso e decoro PETALO non possono essere tagliate a misura.

## IMPORTANT:

- The position of the crosspiece on the door is fixed (see diagrams).
- The crosspiece is always the same colour as the door.
- Crosspieces with printed PETALO decoration are available.
- The doors with crosspiece can only be reduced in width.
- The doors with crosspiece and PETALO decoration cannot be custom cut.

Cuts not possible

✓ Tagli possibili  
Possible cuts

\*1 Se dotati di serratura non sono riducibili in altezza  
If equipped with lock, they cannot be reduced in height

\*2 Altezza minima elemento 2037 mm cimasa compresa  
Minimum element height 2037 mm including cornice

\*3 Se dotati di mostrina sagomata non sono riducibili  
If equipped with shaped decorative element, they cannot be reduced

### Riduzione in LARGHEZZA Reduced WIDTH

Esempio:  
per ridurre la larghezza di un armadio ad un'anta si tagliano 4 componenti (fondo, cappello, ripiano e schiena) + 1 anta; pertanto il costo di questa lavorazione è di: 29,00 x 4 + 38,00 = 154,00

Attenzione:  
in presenza di armadio ridotto, il tubo appendiabiti verrà inviato di serie.

Example:  
to reduce the width of a single door wardrobe, 4 components have to be cut (bottom panel, top, shelf and back panel) + 1 door; therefore, the cost of this process is: 29,00 x 4 + 38,00 = 154,00

Attention:  
where there is a reduced wardrobe, the clothes hanging bar is standard.

### Riduzione in ALTEZZA Reduced HEIGHT

Esempio:  
per ridurre l'altezza di un armadio a due ante si tagliano 3 componenti (schiena e 2 fianchi) + 2 ante; pertanto il costo di questa lavorazione è di: 29,00 x 3 + 38,00 x 2 = 163,00

Example:  
to reduce the height of a two-door wardrobe, 3 components have to be cut (back panel and 2 side panels) + 2 doors; therefore, the cost of this process is: 29,00 x 3 + 38,00 x 2 = 163,00

Si taglia sempre e solo sopra  
It is always and only cut above

NO taglio obliquo  
NO slanted cut

NO altezza cassa diversa dalle facciate  
NO carcass height different from fronts

### Riduzione in PROFONDITÀ Reduced DEPTH

In caso di armadi ridotti in profondità si consiglia l'utilizzo di tubi appendi abiti scorrevoli.  
With small depth wardrobes we recommend using sliding clothes rails.

Esempio:  
per ridurre la profondità di un armadio a due ante si tagliano 5 componenti (fondo, cappello, ripiano e 2 fianchi) pertanto il costo di questa lavorazione è di: 29,00 x 5 = 145,00

Attenzione:  
in presenza di armadio ridotto, lo zoccolo laterale verrà inviato di serie.

Example:  
to reduce the depth of a two-door wardrobe, 5 components must be cut (bottom panel, top panel, shelf and 2 side panels), therefore the cost for this operation is: 29,00 x 5 = 145,00

Attention:  
where there is a reduced wardrobe, the plinth lateral is standard.

Le quote indicate si riferiscono all'elemento senza cimasa e zoccolo, se non diversamente indicato.  
Quoted sizes refer to the element without cornice and plinth, unless otherwise indicated.

# Scassi su misura cabine

Made-to-measure gaps for walk-in wardrobe

## Per scasso su misura:

- Partire sempre dal codice Cabina con scasso universale e impostare la quota scasso pilastro.
- Per aggiungere dei ripiani è necessario graficarli all'interno delle Cabine.

For made-to-measure gap:

- Always start with the universal gap Walk-in wardrobe code and set the gap size of the pillar.
- To add shelves, they must be indicated with a drawing inside the Walk-in wardrobes.

## Cabina SMALL

SMALL walk-in wardrobe

## Tagli possibili:

## OPTIONAL per armadi

OPTIONAL for wardrobes

### Tubo appendiabiti PLUS

PLUS clothes-hanging bar

Su richiesta è possibile dotare l'armadio di tubi appendiabiti PLUS con sovrapprezzo (vedi tabella). Il tubo appendiabiti PLUS è in alluminio Ø 2,8, disponibile nei colori Alluminio (AL1A) e Grigio titanio (GZ8T).

• **In fase d'ordine:** indicare tubo PLUS nella variante TIPO TUBO ed il colore nella variante COLORE TUBO in Metron 4; automaticamente tutti i tubi verranno consegnati della stessa tipologia e dello stesso colore.

On request the wardrobe can be equipped with PLUS clothes-hanging bars with surcharge (see table). The PLUS clothes-hanging bar is in aluminium Ø 2.8, available in the Alluminio (AL1A) and Grigio titanio (GZ8T) colors.

• **When placing the order:** indicate PLUS clothes-hanging bar in the BAR TYPE variant and the colour in the BAR COLOUR variant in Metron 4; all bars will automatically be delivered in the same type and same colour.

Tubo appendiabiti Clothes-hanging bar	Sovrapprezzo per singolo elemento Surcharge for single element
L W 45	
L W 60	
L W 90	
Armadi angolo intero Corner wardrobes	

### Fianchi con illuminazione led

Side panels with led lighting

Su richiesta i fianchi possono essere dotati di illuminazione led, con sovrapprezzo (vedi tabella). L'illuminazione consiste in una strip led a tutta altezza incassata all'interno del fianco.

• **In fase d'ordine:** indicare LUCE LATO DX, LUCE LATO SX o LUCE SU DUE LATI nella variante ILLUMINAZIONE FIANCHI in Metron 4.

• **N.B.** Nei Terminali è possibile inserire l'illuminazione solo sul fianco P 54,5.

I fianchi con predisposizione per barra ponte non possono essere dotati di illuminazione led.

Nel caso di casse a giorno (senza ante) è possibile escludere elettricamente il sensore di presenza collegando la strip led direttamente al trasformatore e quest'ultimo ad una presa di corrente comandata da interruttore.

Fianco led Led side panel	Sovrapprezzo Surcharge			
	1 fianco	2 fianchi	1 fianco	2 fianchi
	1 strip led + 1 sensore + 1 alimentatore	2 strip led + 1 sensore + 1 alimentatore	1 strip led + 2 sensori + 1 alimentatore	2 strip led + 2 sensori + 1 alimentatore
	1 side panel 1 led strip + 1 sensor + 1 power supply	2 side panels 2 led strips + 1 sensor + 1 power supply	1 side panel 1 led strip + 2 sensors + 1 power supply	2 side panels 2 led strips + 2 sensors + 1 power supply
H Ht 230,7				
H Ht 262,7				

\* Per Armadi con ante spezzate  
For Wardrobes with divided doors

On request the side panels can be equipped with led lighting, with surcharge (see table). Lighting consists in a full-height led strip inset into the side panel.

• **When placing the order:** indicate LIGHT RH SIDE, LIGHT LH SIDE or LIGHT ON BOTH SIDES in the SIDE PANEL LIGHTING variant in Metron 4.

• **N.B.** In End elements the lighting can only be inserted on the side panel Dpt 54.5.

The sides ready for the overhead bar cannot be equipped with LED lighting.

In open carcasses (without doors) the movement sensor can be electrically excluded by connecting the LED strip directly to the transformer and the latter to a power outlet controlled by a switch.

### Cassetti e cassettoni con chiusura rallentata

Drawers and big drawers with soft-closing

Su richiesta cassetti e cassettoni nella versione "standard" possono essere dotati di rallentatori di chiusura, con sovrapprezzo (vedi tabella). In alternativa è possibile ordinare cassetti e cassettoni nella versione CHARM, con sovrapprezzo (vedi tabella), dotati di guide tipo "Quadro" rallentate, regolabili in altezza e con interno in finitura di pregio.

• **In fase d'ordine:** indicare la tipologia delle guide nella variante TIPO GUIDE in Metron 4.

On request drawers and big drawers in the "standard" version can be equipped with soft-close mechanisms, with surcharge (see table). Alternatively, drawers and big drawers can be ordered in the CHARM version, with surcharge (see table), equipped with height-adjustable "Quadro" type runners with prestigious internal finish.

• **When placing the order:** indicate the type of runners in the RUNNER TYPE variant in Metron 4.

Chiusura rallentata Soft closing	Sovrapprezzo per singolo elemento Surcharge for single element

### Informazioni tecniche

Technical specification

Dimensioni anta porta TV: L 85,5 - H 60,5 - Sp 1,8; portata massima 8 Kg.  
L'anta porta tv è dotata di: meccanismo per apertura a bilico verticale, push-pull, foro passacavi (in posizione predefinita) e copriforo Ø 8.  
Nelle versioni con vano a giorno è presente 1 copriforo per passacavi Ø 8 aggiuntivo, in modo da consentire il passaggio dei vari cablaggi dal vano a giorno al vano porta tv; il foro sul ripiano è a cura del cliente.

TV stand door dimensions: W 85.5 - Ht 60.5 - Th 1.8; maximum capacity 8 Kg.  
The TV stand door is equipped with: a vertical pivot and push-pull opening mechanism, grommet cut-out (in predefined position) and hole cover Ø 8.  
In versions with an open housing space, there is 1 hole cover for an additional grommet Ø 8, thus allowing the passage of various cables from the open housing space to the TV housing space; the hole in the shelf is to be made by the client.

- Ante lisce dotate di cerniere decelerate.
- Sono dotati di piedini regolabili per armadi.
- Le mensole sagomate sono sempre fissate ad una distanza di 32 cm l'una dall'altra.
- Sono necessarie almeno 4 mensole sagomate per garantire la stabilità dell'elemento.
- Non possono essere affiancati a fianchi e profili centrali COLONY.

- The inner shelves indicated with dotted lines are included.
- Plain doors fitted with decelerated hinges.
- Fitted with wardrobe adjustable feet.
- Shaped shelves are always mounted 32 mm apart.
- At least 4 shaped shelves are required to ensure the element's stability.
- They can't be placed next to COLONY side panels and central profiles.

Misure d'ingombro  
Overall dimensions

I fianchi COLONY devono essere presenti sia ad inizio che a fine composizione; l'utilizzo del profilo centrale è a discrezione del cliente. Possono essere utilizzati in abbinamento a: Armadi (con ante battenti) - Armadi angolo intero (a giorno) - Terminali (a giorno). Per la corretta stesura di cimase e zoccoli consigliamo l'utilizzo del nostro software grafico.

COLONY side panels must be present both at the beginning and at the end of the composition; the use of the central profile is at customer's discretion. They can be used in combination with: Wardrobes (with hinged doors) - Corner wardrobes (open) - End-wardrobes doors (open). For the correct positioning of the cornices and plinths we suggest the use of our graphic software.

Esempi di composizioni  
Composition examples

I Terminali non possono essere utilizzati a fine composizione, vanno abbinati esclusivamente al profilo centrale.

The end-wardrobes doors can't be used at the end of the composition, they must be combined exclusively with the central profile.

Per librerie e fianchi COLONY P 34,7 a loro dedicati, vedi capitolo librerie  
For COLONY P 34,7 bookcases and side panels dedicated to them, see bookcases chapter.

## OPTIONAL per cabine armadio

OPTIONAL for walk-in wardrobes

### Tubo appendiabiti PLUS

PLUS clothes-hanging bar

Su richiesta è possibile dotare le cabine di tubi appendiabiti PLUS con sovrapprezzo (vedi tabella). Il tubo appendiabiti PLUS è in alluminio Ø 2,8, disponibile nei colori Alluminio (AL1A) e Grigio titanio (GZ8T).

• **In fase d'ordine:** indicare tubo PLUS nella variante TIPO TUBO ed il colore nella variante COLORE TUBO in Metron 4.

On request the walk-in wardrobes units can be equipped with PLUS clothes-hanging bars with surcharge (see table). The PLUS clothes-hanging bar is in aluminium Ø 2,8, available in the Alluminio (AL1A) and Grigio titanio (GZ8T) colors.

• **When placing the order:** indicate PLUS clothes-hanging bar in the BAR TYPE variant and the colour in the BAR COLOUR variant in Metron 4.

Tubi appendiabiti Clothes-hanging bars		Sovrapprezzo per singolo elemento Surcharge for single element
Cabine armadio SMALL SMALL walk-in wardrobes	L W 47	
	L W 50	
	L W 70	
Cabine armadio BIG BIG walk-in wardrobes	L W 70	
	L W 108	

### Fianchi con illuminazione led

Side panels with led lighting

Su richiesta i fianchi possono essere dotati di illuminazione led, con sovrapprezzo (vedi tabella). L'illuminazione consiste in una strip led a tutta altezza incassata all'interno del fianco.

• **In fase d'ordine:** indicare LUCE LATO DX, LUCE LATO SX o LUCE SU DUE LATI nella variante ILLUMINAZIONE FIANCHI in Metron 4.

I fianchi con predisposizione per barra ponte non possono essere dotati di illuminazione led.

Nel caso di casse a giorno (senza ante) è possibile escludere elettricamente il sensore di presenza collegando la strip led direttamente al trasformatore e quest'ultimo ad una presa di corrente comandata da interruttore.

On request the side panels can be equipped with led lighting, with surcharge (see table). Lighting consists in a full-height led strip inset into the side panel.

• **When placing the order:** indicate LIGHT RH SIDE, LIGHT LH SIDE or LIGHT ON BOTH SIDES in the SIDE PANEL LIGHTING variant in Metron 4.

The sides ready for the overhead bar cannot be equipped with LED lighting.

In open carcasses (without doors) the movement sensor can be electrically excluded by connecting the LED strip directly to the transformer and the latter to a power outlet controlled by a switch.

Fianchi led Led side panels	Sovrapprezzo Surcharge	
	1 fianco 1 strip led + 1 sensore + 1 alimentatore	2 fianchi 2 strip led + 1 sensore + 1 alimentatore
	1 side panel 1 led strip + 1 sensor + 1 power supply	2 side panels 2 led strips + 1 sensor + 1 power supply
H Ht 230,7		
H Ht 262,7		

### Cassetti con chiusura rallentata (per cassettiere interne)

Drawers with soft-closing (for inner drawer units)

Su richiesta i cassetti nella versione "standard" possono essere dotati di rallentatori di chiusura, con sovrapprezzo (vedi tabella). In alternativa è possibile ordinare i cassetti nella versione CHARM, con sovrapprezzo (vedi tabella), dotati di guide tipo "Quadro" rallentate, regolabili in altezza e con interno in finitura di pregio.

• **In fase d'ordine:** indicare la tipologia delle guide nella variante TIPO GUIDE in Metron 4.

Chiusura rallentata Slow closing	Sovrapprezzo per singolo elemento Surcharge for single element
Cassetti Drawers	
Cassetti CHARM con guide tipo "Quadro" CHARM Drawers with "Quadro" slides	

On request drawers in the "standard" version can be equipped with soft-close mechanisms, with surcharge (see table). Alternatively, drawers can be ordered in the CHARM version, with surcharge (see table), equipped with height-adjustable "Quadro" type runners with prestigious internal finish.

• **When placing the order:** indicate the type of runners in the RUNNER TYPE variant in Metron 4.

## Informazioni tecniche

Technical specification

- Sono dotate di un ripiano interno ad angolo con tubi appendiabiti, di un tubo appendiabiti lungo e di uno corto.
- Sono dotate di anta L 60 con cerniere decelerate 45°.
- Fianchi Sp 2,5.
- They are fitted with a corner inner shelf with clothes hanging bars, a long clothes hanging bar and a short clothes hanging bar.
- Complete door W 60 with standard supply 45° decelerated hinges.
- Sides Th 2.5.

## Esempi di utilizzo

Examples of use

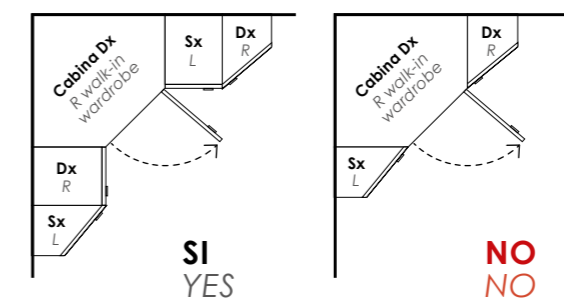

Gli armadi L 45-60 affiancati alla cabina armadio SMALL devono avere le cerniere rivolte verso la cabina.  
Nel caso in cui venga posizionato un armadio a fianco al lato maniglia cabina, quest'ultima sarà dotata di pomolo LACCIO.

W 45 - 60 wardrobes next to SMALL walk-in wardrobe must have their hinges in the direction of the walk-in wardrobe.  
If a wardrobe is placed next to the handle side of a walk-in wardrobe, the latter will be fitted with a LACCIO knob.

Non è possibile posizionare un letto, un divano letto o altri elementi con profondità superiore a 57 cm accanto ad una cabina armadio SMALL.

It is not possible to place a bed, a sofa bed or other items more than 57 cm beside a SMALL walk-in wardrobe.

Non è possibile affiancare i terminali alla cabina armadio SMALL.

It is not possible to place the end-wardrobes alongside the SMALL walk-in wardrobe.

### Tagli su misura

Custom cuts

Solo per armadi ponte con mostrina lineare  
Only for overhead wardrobe with linear decorative element

Misure limite: min 30 - max 235,8  
Per ponte su misura utilizzare la composizione di larghezza superiore. Per il calcolo del prezzo finale aggiungere al prezzo della composizione il costo dei tagli.

Dimension limits: min 30 - max 235,8  
For custom overhead wardrobe consider the larger composition. Add cutting costs to the price of the composition to calculate the final price.

Si eseguono tagli a misura soltanto dietro indicazione scritta delle misure d'ingombro desiderate.

Misure limite: min 99,6x102,1 - max 234,6x237,1  
Per ponte su misura utilizzare la composizione di larghezza superiore. Per il calcolo del prezzo finale aggiungere al prezzo della composizione il costo dei tagli.

Custom cuts are only possible on receipt of written statements of the dimension.  
Dimension limit: min 99,6x102,1 - max 234,6x237,1  
For custom overhead wardrobe consider the larger composition. Add cutting costs to the price of the composition to calculate the final price.

### Cassetti con chiusura rallentata

Drawers with soft-closing

Su richiesta, i cassetti nella versione "standard" possono essere dotati di rallentatori di chiusura, con sovrapprezzo (vedi tabella). Per i gruppi MEMORY, WOODY e BEVERLY in alternativa è possibile ordinare i cassetti nella versione CHARM, con sovrapprezzo (vedi tabella), dotati di guide tipo "Quadro" rallentate, regolabili in altezza e con interno in finitura di pregio.

• **In fase d'ordine:** indicare la tipologia delle guide nella variante TIPO GUIDE in Metron 4.

• **N.B.** I gruppi FIRENZE, VIENNA e SOLID sono dotati di serie di cassetti CHARM, con guide tipo "Quadro" rallentate, regolabili in altezza e interno in finitura di pregio.

On request the drawers in the "standard" version can be equipped with soft-close mechanisms, with surcharge (see table). For MEMORY, WOODY and BEVERLY groups alternatively the drawers can be ordered in the CHARM version, with surcharge (see table), equipped with height-adjustable "Quadro" type runners with prestigious internal finish.

• **When placing the order:** indicate the type of runners in the RUNNER TYPE variant in Metron 4.

• **N.B.** FIRENZE, VIENNA and SOLID groups are equipped as standard with CHARM drawers, with height-adjustable "Quadro" type runners and prestigious internal finish.

## OPTIONAL per scrittoi

OPTIONAL for desks

### Cassetti e cassettoni con chiusura rallentata

Drawers and big drawers with soft-closing

Su richiesta, cassetti e cassettoni nella versione "standard" possono essere dotati di rallentatori di chiusura, con sovrapprezzo (ad esclusione dei cassetti H 8) (vedi tabella). In alternativa è possibile ordinare cassetti e cassettoni nella versione CHARM, con sovrapprezzo (vedi tabella), dotati di guide tipo "Quadro" rallentate, regolabili in altezza e con interno in finitura di pregio.

- **In fase d'ordine:** indicare la tipologia delle guide nella variante TIPO GUIDE in Metron 4.

On request drawers and big drawers in the "standard" version can be equipped with soft-close mechanisms, with surcharge (except for drawers H 8) (see table). Alternatively, drawers and big drawers can be ordered in the CHARM version, with surcharge (see table), equipped with height-adjustable "Quadro" type runners with prestigious internal finish.

- **When placing the order:** indicate the type of runners in the RUNNER TYPE variant in Metron 4.

Chiusura rallentata Soft closing	Sovrapprezzo per singolo elemento Surcharge for single element

# Pannelli sagomati a disegno Sp 2,5

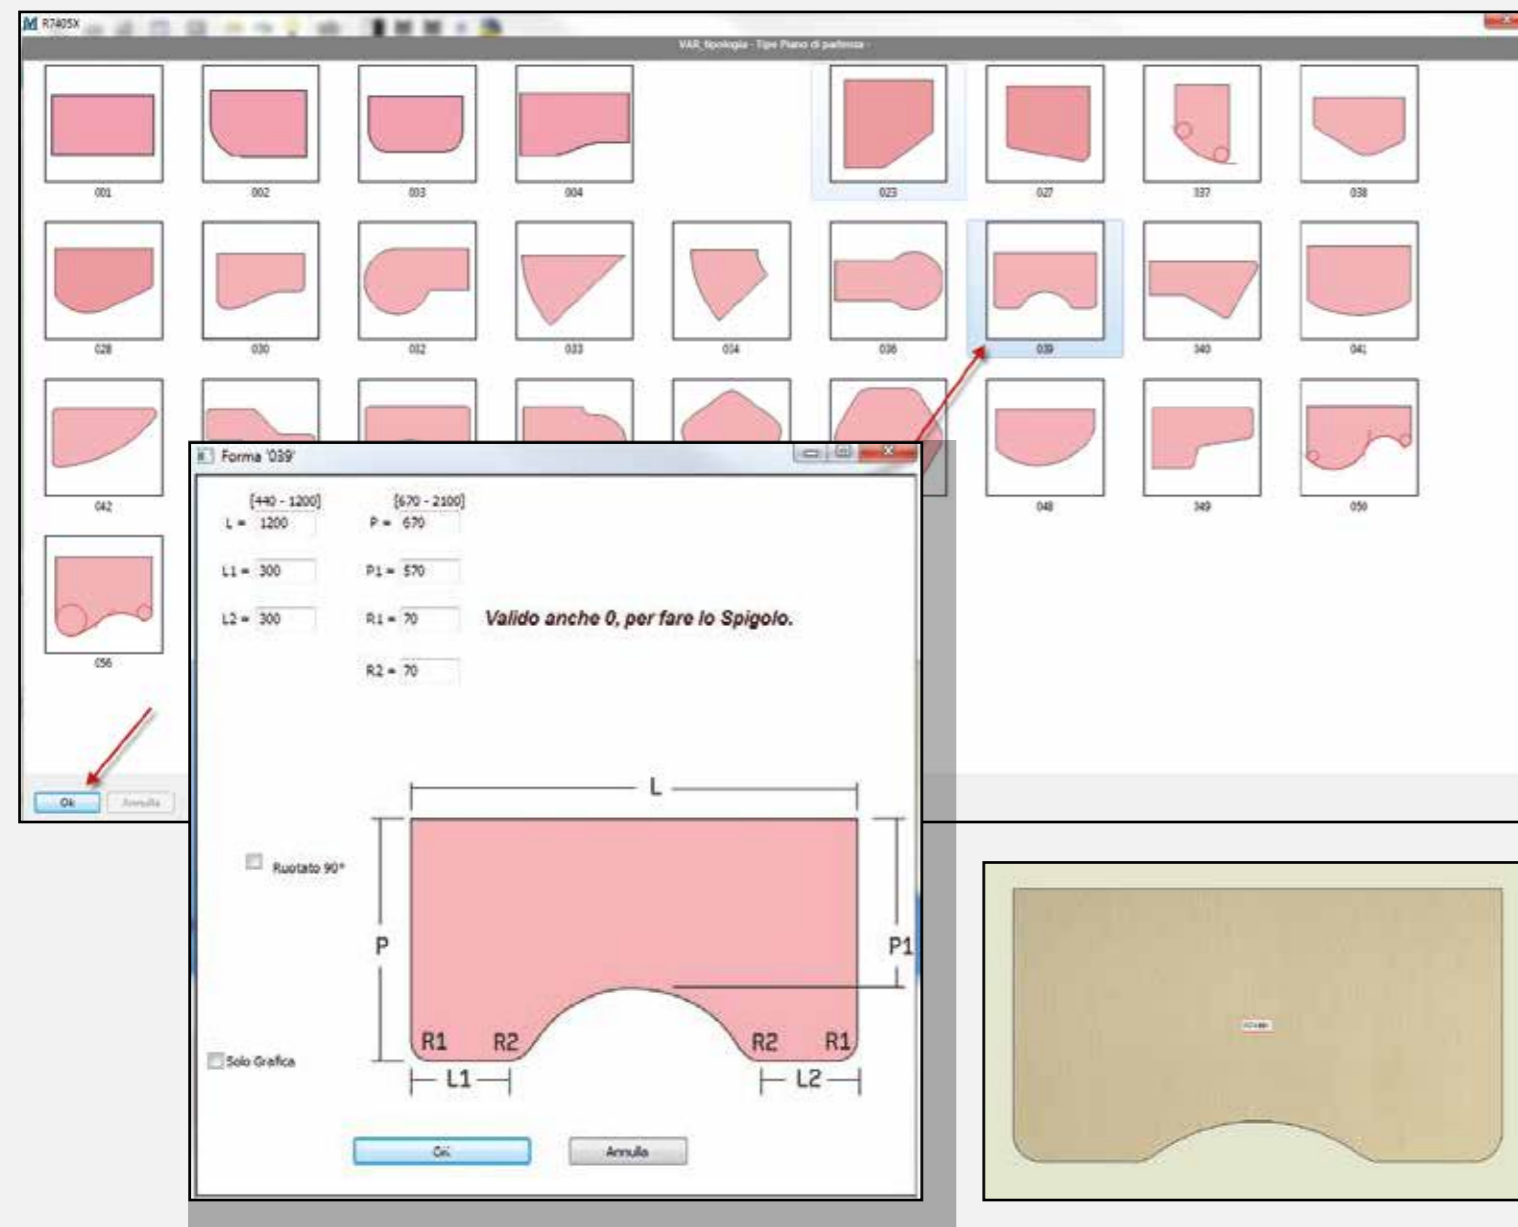

Designed shaped panels Th 2.5

- I pannelli sagomati a disegno vengono realizzati dopo approvazione dell'ufficio tecnico.
- Il nostro programma grafico "METRON 4" guida passo a passo nella realizzazione del piano sagomato (vedi punto 1) e realizza automaticamente il prezzo del pannello (vedi punto 4).
- Si realizzano piani con dimensioni e curve secondo i limiti sotto elencati (vedi punti 2 e 3).
- Un lato del pannello è sempre lineare (vedi punto 2).

- Customer designed shaped panels are produced with the technical department's approval.
- Our graphics program, "METRON 4", slides you step-by-step in creating the shaped top (see point 1) and automatically calculates the price of the panel (see point 4).
- Tops with sizes and curves are created based on the limits indicated below (see points 2 and 3).
- One side of the panel is always straight (see point 2).

## 1) Esempio ordine METRON 4.

1) Order example METRON 4.

## 2) L'AREA DEL PANNELLO NON SUPERERÀ MAI 2,52 METRI QUADRI (2,10 X 1,20)

2) THE PANEL AREA WILL NEVER EXCEED 2.52 SQUARE METERS (2.10 X 1.20)

Esempio:  
Example:  
m 1,60 x  
m 1,20 =  
m<sup>2</sup> 1,92

Esempio:  
Example:  
m 2,10 x  
m 1,10 =  
m<sup>2</sup> 2,31

Esempio:  
Example:  
m 2,10 x  
m 1,70 =  
m<sup>2</sup> 3,57

**NO**

## 3) RAGGIO MINIMO DI CURVATURA

3) MINIMUM RADIUS OF CURVATURE

Esempio:  
Example:

Lati senza bordo  
Sides without edging

NON SI ESEGUONO FORI DI ALCUN DIAMETRO NÉ SAGOME TONDE  
HOLES OF ANY DIAMETER OR ROUND SHAPES ARE NOT PROVIDED

## 4) CALCOLO DEL PREZZO DEI PANNELLI SAGOMATI A DISEGNO

4) CALCULATING THE PRICE OF SHAPED PANELS TO THE CUSTOMER'S DESIGN

Il prezzo dei pannelli sagomati a disegno viene calcolato al metro quadro considerando il pannello necessario per la realizzazione del piano a disegno.  
The price of shaped panels to the customer's design is calculated per square metre, considering the amount of board needed to produce the custom panel.

### PREZZO PER PIANI AL METRO QUADRO

1. Individuare la larghezza e la profondità del pannello necessario a costruire la sagoma che si vuole realizzare.
2. Per ottenere la misura in metri quadri moltiplicare la larghezza per la profondità del pannello.
3. Moltiplicare i metri quadri ottenuti per il prezzo al m<sup>2</sup>.
4. Aggiungere alla cifra ottenuta il prezzo fisso.

### PRICE FOR TOPS PER SQUARE METRE

1. Decide the width and depth of the panel needed to construct the shape required.
2. To obtain the area in square metre, multiply the width by the depth of the panel.
3. Multiply the square meters obtained by the price per m<sup>2</sup>.
4. Add the fixed charge to the figure obtained.

Esempio:  
Example:

Pannelli da sagomare  
Panels for shaping

## OPTIONAL per librerie

OPTIONAL for bookshelves

### Cassetti e cassettoni con chiusura rallentata Drawers and big drawers with soft-closing

Su richiesta, cassetti e cassettoni nella versione "standard" possono essere dotati di rallentatori di chiusura, con sovrapprezzo (vedi tabella). In alternativa è possibile ordinare cassetti e cassettoni nella versione CHARM, con sovrapprezzo (vedi tabella), dotati di guide tipo "Quadro" rallentate, regolabili in altezza e con interno in finitura di pregio.

• **In fase d'ordine:** indicare la tipologia delle guide nella variante TIPO GUIDE in Metron 4.

On request drawers and big drawers in the "standard" version can be equipped with soft-close mechanisms, with surcharge (see table). Alternatively, drawers and big drawers can be ordered in the CHARM version, with surcharge (see table), equipped with height-adjustable "Quadro" type runners with prestigious internal finish.

• **When placing the order:** indicate the type of runners in the RUNNER TYPE variant in Metron 4.

Esempi di composizioni  
Composition examples

I fianchi COLONY devono essere presenti sia ad inizio che a fine composizione; l'utilizzo del profilo centrale è a discrezione del cliente.

Per la corretta stesura di cimase e zoccoli consigliamo l'utilizzo del nostro software grafico.

COLONY side panels must be present both at the beginning and at the end of the composition; the use of the central profile is at customer's discretion.

For the correct positioning of the cornices and plinths we suggest the use of our graphic software.

 Panel structure Th 2,5 with back panel Th 1,8. Vano tv fornito di passacavo e illuminazione led posizionata nella parte inferiore del vano con interruttore touch sempre a destra.  
 Tv niche provided with cable grommet and led lighting positioned in the bottom of the niche and completed with a touch switch on the right.

### Vano porta TV

Lo schienale strutturale consente di nascondere i cablaggi delle varie apparecchiature elettroniche tramite un passacavo (sempre fornito), posizionato in fase di montaggio dal montatore. La particolare struttura di questo vano permette il posizionamento di TV sospese o con base e di scegliere se inserire le apparecchiature come lettori DVD, decoder, console, ecc. di fianco al TV (o nei vani sottostanti). Lo schienale inferiore può essere rimosso facilmente per consentire la manutenzione, oltre che permettere l'alloggio di custodie DVD o libri. Il fondo vano TV viene sempre fornito con un foro centrale utilizzabile per vari cablaggi.

### TV mounts niche

The back panel is always provided with a cable grommet, positioned during assembly by the assembler, which allows cables of different electronic devices to be hidden. This particular structure is intended for suspended or self standing TVs and allows you to choose whether to place the electronic devices such as DVD players, decoders, game consoles, etc. on the side of the TV (or in the niche underneath). The lower back panel is easily removable for maintenance and it allows the storage of DVD cases or books. The bottom panel of the TV niche is always provided with a central hole usable for various cables.

## Forature per tecnologia integrata

Holes for built-in technology

Nel momento in cui si ordina un piano d'appoggio PODIO è possibile dotarlo di accessori integrati per i quali è necessaria l'esecuzione di fori sul piano. Possono essere scelti uno o più accessori.

Nel PODIO L 120 è possibile specificare il verso Dx o Sx.

Nel PODIO L 150 specificare se lo scasso per il passacavo "A" lo si vuole a Dx o Sx.

**N.B. La posizione dei fori è valida anche nel momento in cui verranno ordinati 1 o 2 accessori.**

When ordering a PODIO desk top, it can be fitted with built-in accessories requiring holes to be drilled in the top. One or more accessories can be chosen.

You can specify R or L on the PODIO W 120.

Specify if you want the slot for the "A" cable pass-through on the right or left for PODIO W 150.

**N.B. The position of the holes is valid when ordering 1 or 2 accessories.**

## OPTIONAL per residence e hotel

OPTIONAL for residence and hotel

### Tubo appendiabiti PLUS

PLUS clothes-hanging bar

Su richiesta è possibile dotare l'armadio di tubi appendiabiti PLUS con sovrapprezzo (vedi tabella). Il tubo appendiabiti PLUS è in alluminio Ø 2,8, disponibile nei colori Alluminio (AL1A) e Grigio titanio (GZ8T).

• **In fase d'ordine:** indicare tubo PLUS nella variante TIPO TUBO ed il colore nella variante COLORE TUBO in Metron 4; automaticamente tutti i tubi verranno consegnati della stessa tipologia e dello stesso colore.

On request the wardrobe can be equipped with PLUS clothes-hanging bars with surcharge (see table). The PLUS clothes-hanging bar is in aluminium Ø 2.8, available in the Alluminio (AL1A) and Grigio titanio (GZ8T) colors.

• **When placing the order:** indicate PLUS clothes-hanging bar in the BAR TYPE variant and the colour in the BAR COLOUR variant in Metron 4; all bars will automatically be delivered in the same type and same colour.

Tubo appendiabiti Clothes-hanging bar	Sovrapprezzo per singolo elemento Surcharge for single element
L W 90	

### Fianchi con illuminazione led

Side panels with led lighting

Su richiesta i fianchi possono essere dotati di illuminazione led, con sovrapprezzo (vedi tabella). L'illuminazione consiste in una strip led a tutta altezza incassata all'interno del fianco.

• **In fase d'ordine:** indicare LUCE LATO DX, LUCE LATO SX o LUCE SU DUE LATI nella variante ILLUMINAZIONE FIANCHI in Metron 4.

• **N.B.** I fianchi con predisposizione per barra ponte non possono essere dotati di illuminazione led.

Nel caso di casse a giorno (senza ante) è possibile escludere elettricamente il sensore di presenza collegando la strip led direttamente al trasformatore e quest'ultimo ad una presa di corrente comandata da interruttore.

Fianco led Led side panel	Sovrapprezzo Surcharge	
	1 fianco 1 strip led + 1 sensore + 1 alimentatore	2 fianchi 2 strip led + 1 sensore + 1 alimentatore
1 side panel 1 led strip + 1 sensor + 1 power supply	2 side panels 2 led strips + 1 sensor + 1 power supply	
H Ht 230,7		
H Ht 262,7		

On request the side panels can be equipped with led lighting, with surcharge (see table). Lighting consists in a full-height led strip inset into the side panel.

• **When placing the order:** indicate LIGHT RH SIDE, LIGHT LH SIDE or LIGHT ON BOTH SIDES in the SIDE PANEL LIGHTING variant in Metron 4.

• **N.B.** The sides ready for the overhead bar cannot be equipped with LED lighting.

In open carcasses (without doors) the movement sensor can be electrically excluded by connecting the LED strip directly to the transformer and the latter to a power outlet controlled by a switch.
