

The background is a light cream color with a subtle, organic marbled pattern in shades of beige and light brown. Overlaid on this is a faint, high-contrast image of a classical marble statue's head, shown in profile facing left. The statue's features are clearly defined but semi-transparent, allowing the marbled pattern to show through.

Soul of marble beauty

Calacatta Volegno

Calacatta Serchio

Calacatta Volegno

Broad patterns in earthy tones enriched by golden edges. These deep, intricate veins bring to mind the brushstrokes of a mountain themed painting.

The Serchio River winds through the charming countryside of Tuscany. The fresh flowing water is the perfect characteristic of this unique design.

Calacatta Serchio

Calacatta Pastino

An icy beauty that embodies the elegance and calmness. Light and subtle in tone. Bold and intense in its impact.

Dynamic cold grey and warm brown veins evoke the balance of powerful mountains. Olympos portrays energy and grabs attention in any space.
